ARENAL VOLCANO

Welcome to Costa Rica! Upon arrival at Liberia Airport, transfer to the Arenal Volcano area, we'll cross the cowboy plains of the Guanacaste Province and admire the pristine shoreline, beautiful mountain ranges, and volcanoes.

3

ARENAL VOLCANO

Day at leisure to explore the area at your own pace. We highly recommend a visit to the Arenal Volcano National Park (optional excursion), one of the top destinations for travelers in Costa Rica. While the volcano is still alive and spews smoke, it entered into an indeterminate resting phase in 2010.
